

## Spare parts list

Brand: Dimplex

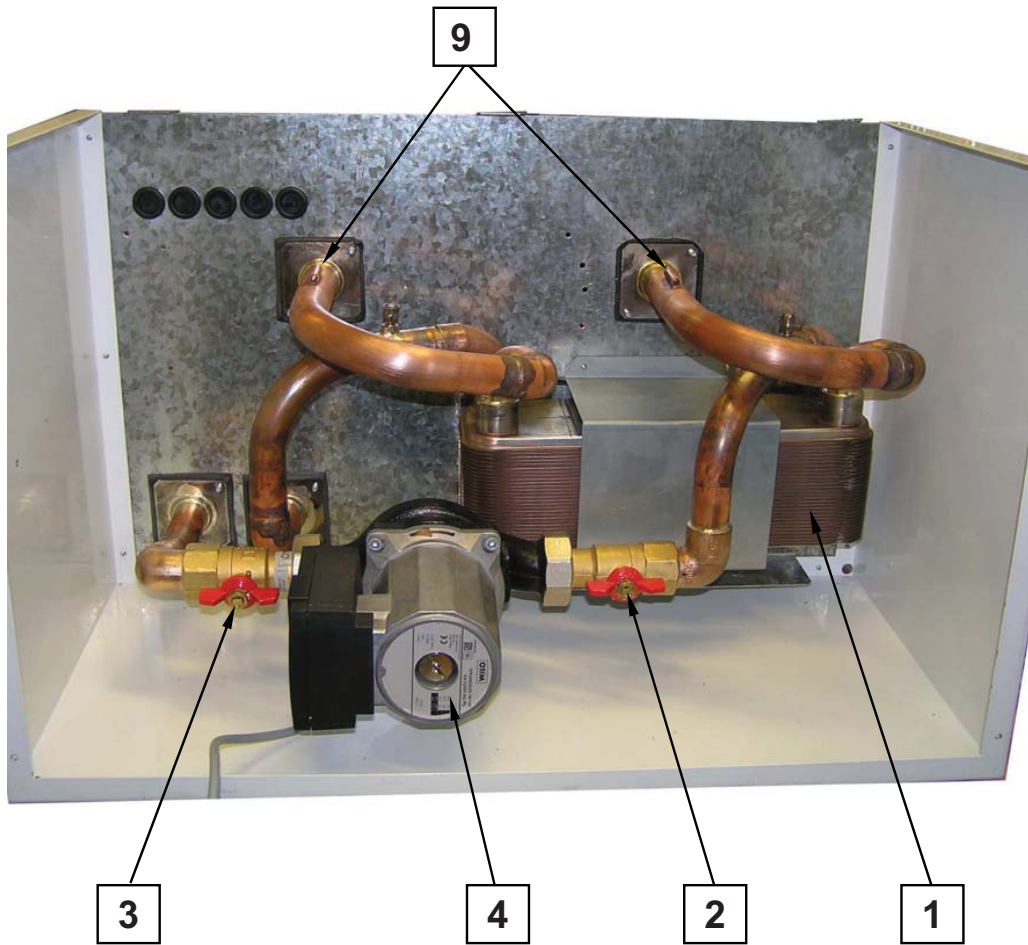

Type: PKS 14 Econ

Part number: 362930

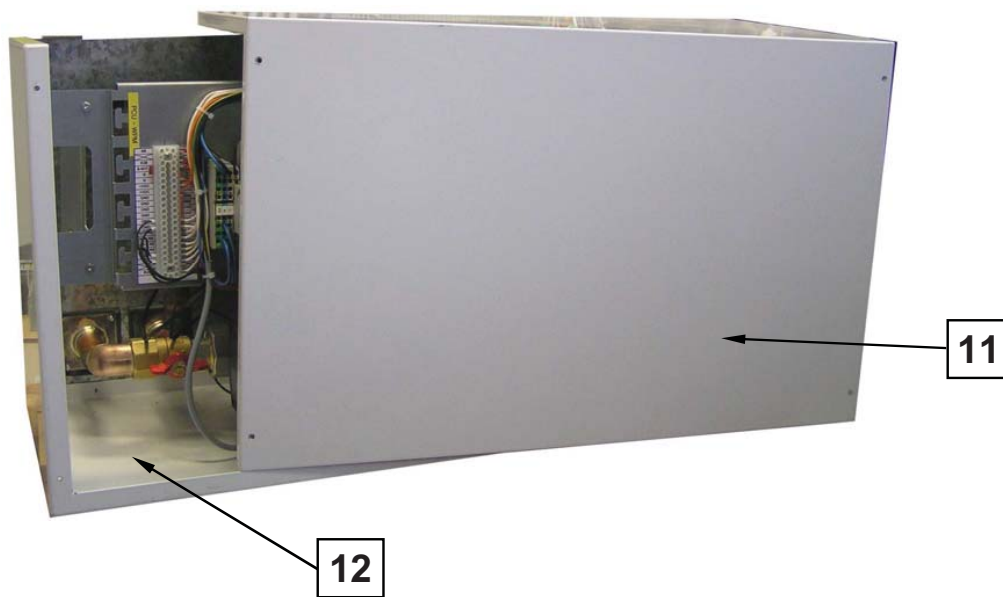

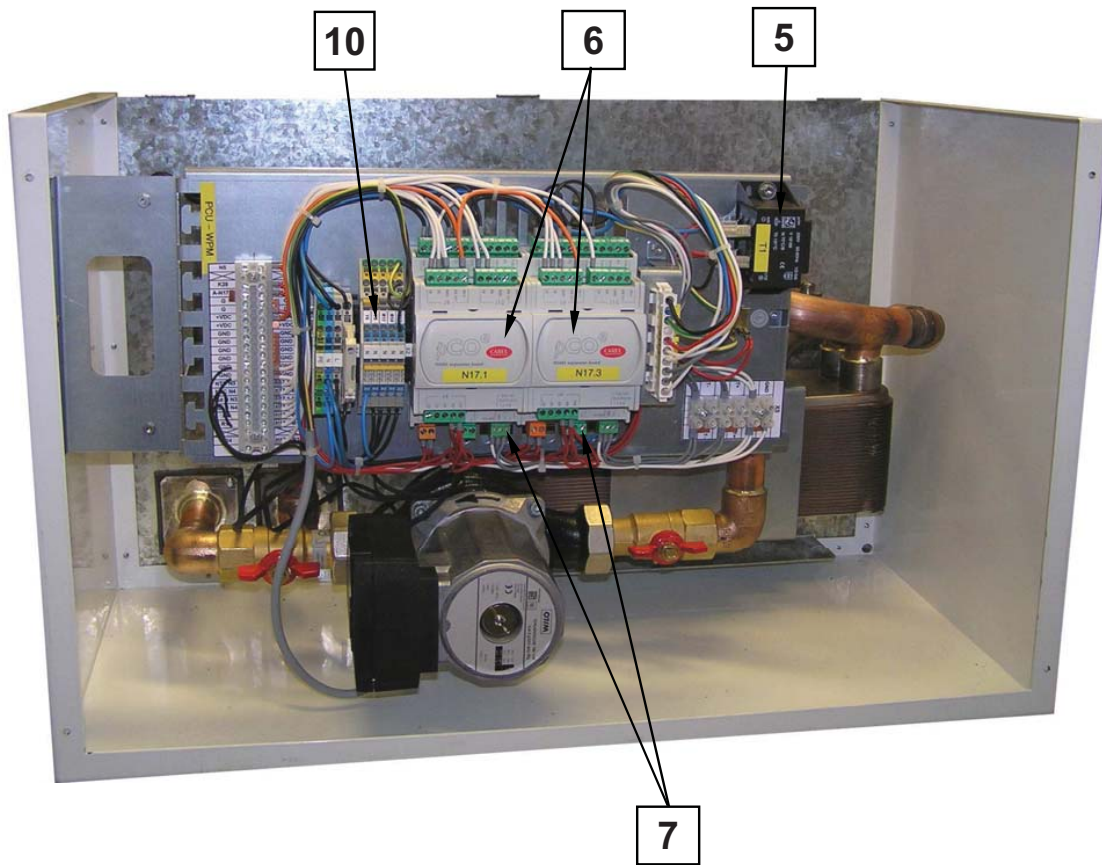

| Position | Description                        | Part number        | Serv. ind. |
|----------|------------------------------------|--------------------|------------|
| 1        | Plate HE CP 15-60                  | 4522314112E        |            |
| 2        | Ball valve 1" no gravity control   | 4521574165E        |            |
| 3        | Ball valve 1" with gravity control | 4521574166E        |            |
| 4        | Pump                               | 4522314102E        |            |
| 5        | Transformer                        | 4521154146E        |            |
| <b>6</b> | <b>Controller pCOe</b>             | <b>4522344180E</b> |            |
| 7        | Connector set for controller       | 4522344182E        |            |
| 8*       | Fuse                               | 4518034158E        |            |
| 9        | Sensor                             | 4522314115E        |            |
| 10       | Terminal block, fitted             | 4521142828         |            |
| 11       | Cover painted in signal white      | 4522317110         |            |
| 12       | Floor tray painted in signal white | 4522317109         |            |

\* not visible in the picture documentation

**Note: The filter drier must always be exchanged when soldering work is carried out in the refrigerant circuit.**
